I don't wanna feel this pain,
I'm so tired of being ashamed,
And my heart is so confused,
Cos it's still belongs to you,
Thinking about those days,
Whenever you would call and say,
That i would never be alone,
But now i'm here,
All on my own,

Is it over... is it true...
Oh tell me why,
Give my heart a chance to say,
Goodbye...
We don't even talk anymore,
It's been so long,
Since the last time that you call,
I just don't know, is it me?
Or is there someone else...
If you even care,
If there's still something there,
Don't leave me here...

You were my love, my only need,
And it was you that set me free,
But if only you could see,
All the pain you bring to me,
You were the light guides my way..
You turned the darkness into day,

Said forever we'd be one,
But forever's come and gone,

Is it over... is it true..
Oh tell me why...
Give my heart a chance to say,
Goodbye...
We don't even talk anymore,
It's been so long,
Since the last time that you call,
I just don't know, is it me?
Or is there someone else...

If you even care,
If there's still something there,
Don't leave me here...

Is it over... is it true..
Oh tell me why...
Give my heart a chance to say,
Goodbye...
We don't even talk anymore,
It's been so long,
Since the last time that you call,
I just don't know, is it me?
Or is there someone else...
If you even care,
If there's still something there,
Don't leave me here...
Don't leave me here...
