OK, well I know everything you're gonna say
It's written all over your face
'Cause you know, you know I gotta be honest
You saw right through my bullshit
So I got one more chance, still
Gotta get it right

So now you better run, kid
Now you're in all the worst of it
I know, I know this world like my father
Yeah rush out one blue collar
So let me say one thing, if only I was as true
Yeah I would spend it on you

So I got one more chance, still
Gotta get it right

Oh yeah, I've been looking for her
This whole time
But now I realize
Oh yeah, I've been searching for her
This whole time
But now I realize
I gotta give it up, gotta give it up
Whatever you just said is just enough

Well I better run, dear
I better lose all my fears
So we can have it all
Yeah, I gotta have it all
Everybody's dead
Just a different race
Try and slow it down
Let's drive away
So we can have it all
Yeah, I gotta have it all

Oh yeah, I've been looking for her
This whole time
But now I realize
Oh yeah, I've been searching for her

This whole time
But now I realize
I gotta give it up, gotta give it up
Whatever you just said is just enough
Is just enough
