Stay awake, let's never speak of this again
cuz nobody saw her
it just seemed so strange to me

(I don't)
Don't be so strange
(cuz I liked it, I liked it here)
don't be so sad

Cuz I still haven't won

If my lungs break
if my heart beats because no, we never saw

And I still believe you're close to me
I'm sorry, I just can't be afraid
and don't be so hard on yourself now
cuz as much in the way we speak
and it's all over your teeth

Stay awake, let's never speak of this again
cuz nobody saw her
it just seemed so strange to me

(I don't)
Don't be so strange
(cuz I liked it, I liked it here)
don't be so sad

Cuz we finally hit the crown
let's run free

If my lungs break
if my heart beats
because no, we never saw you again
much of this is the way we speak

And I still believe you're close to me
I'm sorry, I just can't be afraid
and don't be so hard on yourself now
cuz as much in the way we speak

and it's all over your teeth
