I feel you breathing inside me  
I know...  
When you are far your ever near

Don't hear my words feel my heartbeat  
How could our song disappear  
But how could I be anything else but yours

Hear in my heart  
Is a dream for you  
One Perfect Day  
You will see it too  
My last angel  
Having you there  
Together, Always be near

All the desire has left me  
I do not want it anymore  
And time and space  
Can never keep us apart  
Hear in my heart  
Is a dream for you  
One Perfect Day  
You will see it too  
My last angel  
Having you there  
Together, always be near

Always be near

Wait together  
Wait forever  
Wait  
Wait forever

Hear in my heart  
Is a dream for you  
One Perfect Day  
You will see it too  
My last angel  
Having you there  
Together, always be near

My last angel  
Having you there  
Together, always be near
