[Verse 1]

Im from a place where them niggas don't talk a lot
License suspended so we walk a lot Always been a thug
since i was a young cat
Breast fed by Godzilla mix my Similac with cognac
whoa
Now i can't even pray no more
'cause i done did so much dirt and smoked so much
dro
Im afraid God will be like what you calling here for
Don't be tying my line up asking me for shit no more,
whoa

[Chorus]

Its biggie nigga, reincarnated as a skinny nigga
Yeah it's biggie nigga, reincarnated as a skinny nigga

[Verse 2]

I done seen church boys get killed like that
Running off at the mouth when they aint built like that
So for all you wanna bes out there whose attitude is
shitty
Yeah God don't like ugly but he aint too fond of pretty
neither
Im a hustler from the top of my du-rag
To the bottom of these Tims that done left prints on
many backs Like 50 Cent
These industry niggas aint friends And if yall don't like
what im sayin
Yall gonna have to murder me again, 'cause

[Chorus]

So for all these cats out here doing what you do mane,
you Biggie
For all these cats our here doing some positive in your
community, you Biggie
For all you rap cats that's on the struggle tryna come
up mane, you Biggie
For all you cats out here doing that nonsense on that
bullshit, you aint Biggie nigga
Hahaha...This ya boi Lyfe Jennings mane A.K.A. Biggie
