What if I broke our monogamous agreement
What if I told you I lied but didn't mean it
What if my one mistake had the potential
To break up our happy home
Would you wanna know

What if I confessed it and though
She didn't mean nothing, since it happened
You'd think about leaving
What if I suppressed it
And made a vow to never mess with another

Is it cool for me to smother the facts
Is it cool for me to cover my tracks
If you'd never know
Or would me not being honest hurt you more?

Hypothetically of course
Are there some things better left unsaid
Or would you wanna know instead?

Hypothetically of course
Are there some wars not worth fighting
Some tears not worth crying now?

Hypothetically of course
What if this happened to you
What would you want me to do?

Well, what if I told you that I had a confession
What if I said four years ago we were arguing
He came to comfort me and I wound up pregnant
And I just can't say for sure if the baby's yours

Now what if I confessed it and it turned out
Not to be your baby after you get tested
And destroys what we've been blessed with
What if I suppressed it 'cause technically
You're the baby's daddy anyway

Is it wrong for me to want you to stay?
Would you rather have me tear you away?

From the only family you know
Or is it just too big a secret to keep it on the low?

Hypothetically of course
Are there some things better left unsaid
Or would you wanna know instead?

Hypothetically of course
Are there some wars not worth fighting
Some tears not worth crying?

Hypothetically of course
What if this happened to you
what would you want me to do?

Would you wanna know?
Would you wanna know?
Tell me what you'd do?
Tell me what you'd do?

Would you walk away or would you stay
Would you wanna know?
Would you wanna leave the past behind us
Or are you afraid that one day it might find us?

Would it even matter
Could it even matter
Should it even matter

Hypothetically
Hypothetically of course

Hypothetically
Hypothetically of course

Hypothetically
Hypothetically of course
