First off I got to send a shout out to Brooklyn  
B K in the building stand up, second of all  
Man, I tell you when I do these interviews out here, man  
All these cats always asking me

Who do I mostly resemble in the music game?  
So I think to my self, why? Who could I have said  
I mostly resemble in this game and one name keep on  
circulating  
Through my brain man, none other y'all know him as  
Biggie nigga

From a place where them niggas don't talk a lot  
License suspended so we walk a lot  
Always been a thug, since I was a young cat  
Brisked up like Godzilla, mix my similac with Cognac,  
oh

Now I can't even pray no more  
'Cause I done did so much dirt, and smoked so much  
Dro  
I'm afraid God'll be like what you callin' here for  
Don't be dialing my line asking me for shit no more

Whoa, it's Biggie nigga  
Record me as a City nigga  
Yeah, it's Biggie nigga  
Record me as a City nigga

I done seen church boys get killed like that  
Roll off at the mouth when they ain't built like that  
So for all you wanna be's out there whose attitude is  
shitty  
Yeah, God don't like ugly but he ain't too fond of pretty  
neither

I'm a hustla from the top of my door rag to the bottom  
Of my timb's that done left prints on many backs  
Like 50 said, "These in the street niggas they ain't  
playin'  
And if y'all don't like what I'm sayin', y'all gon' have to  
murder me again"

'Cause it's Biggie nigga  
Record me as a City nigga  
Whoa, it's Biggie nigga  
Record me as a City nigga

So for all these cats out here doin' what you do, man  
You Biggie, for all these cats out here doin' something  
positive  
In your community you Biggie, for all these rap cats  
That's on the struggle trying to come up

Man you Biggie, for all you cats  
Doin' that nonsense on that bullshit?

You ain't Biggie nigga  
It's your boy, Lyfe Jennings, man  
AKA Biggie nigga
