(Verse 1)

I call you on the phone  
You are never home  
You say dat you gone  
handling business  
So babe  
I hear that everyday  
All i can do is pray  
you not losing interest  
Its hard  
2 know you got my heart  
2 watch me fall apart  
every time you don't call  
Its cool  
but don't think im a fool  
We all got things 2 do  
but we make time 4 what we want

(Chorus)x2

Your al-al-al ways  
(Your al-al-al ways)  
Your al-al-al ways  
Bu-sy

(Verse 2)

I let you do your thing  
not get in your way  
And try not 2 complain  
but its like its useless  
Cause you  
just take it as its cool  
2 con-tinue 2 do  
whatever like i'm STUPID  
Im not  
i just love you alot

And im not gonna stop  
I just need a little talking (tal-kin)  
What 4  
2 keep my heart on course  
Or else i might be force 2 find love somewhere else  
(Chorus)x2  
Your al-al-al ways  
(Your al-al-al ways)

Your al-al-al ways  
Bu-sy  
(Verse 3)  
"Hello"  
If you dont want 2 be here let me know  
"Can i call you back in like 3 minutes"  
If you dont really love me let me go  
"Yo,you tripping i did not send you 2 voicemail"  
"I was on the phone"  
Dont keep me holding on  
"No,No,No see my phone just been tripping lately"  
Let my heart go somewhere it belong  
"My momma on the other line"  
(Chores)x4  
Your al-al-al ways  
(Your al-al-al ways)  
Your al-al-al ways  
Bu-sy
