(feat. Kae Wun)

I can't front man, soon as I seen her
She made the dream giver turn into a dreamer
She made me think quicker, ring on the finger
Go ahead and go put it on her I had to bling her
No springer show, shawty is all mine
I put diamonds on her chest, to make her heart shine
Ya boy here the fullest, them othas part time
The realest one to do this, shawty your so fine

Shorty you're so amazing, your body's bangin
Conversation so stimulating, my heart is racing
(I just want to kno if we can get together sometime)
And you know what I'm saying
Ya bodies toned up look at those thick thighs
Grandmama must have been feeding u right
(shake it to the left momma shake it to the right)

Somebody call the cops up
Lil momma done stole my heart
She's making me fall in love
She's not gonna give it up

Somebody call the cops up
Somebody call 911
Tell em I've been shot through the heart
I've fallen and I can't get up
Somebody call the cops up
Baby the ladies starring the fellas say hi
Champaign bottles get to poppin when u walk by
The mood is crazy "pimpin is is what pimpin does"
U know what I'm sayin, it's two o'clock and the club is
jumpin
All eyes on you they ain't't here 4 nothing
(shake it to the left momma, shake it to the right
momma)

Somebody call the cops up
Lil momma done stole my heart
She's making me fall in love

She's not gonna give it up

Somebody call the cops up
Somebody call 911
Tell em I've been shot through the heart
I've fallen and I can't get up
Somebody call the cops up

Cops up cops up
Somebody call the cops up

This is (be wat walka) said dial 911
Cause shawty stole a heart n now she on the run
We on a high speed chase and I admit it's kinda fun
Gotta nigga outa breath and I'm jus tryna catch my
lungs
I think she stole dat too tryna run off to the sun
I'm jus tryna follow her my home boys tellin me I am
dumb
But they don't kno nuttin no they don't kno enough
No they don't kno this no they don't nuttin

Somebody call the cops up
Lil momma done stole my heart
She's making me fall in love
She's not gonna give it up

Somebody call the cops up
Somebody call 911
Tell em I've been shot through the heart
I've fallen and I can't get up
Somebody call the cops up
Cops up, cops up
Cops up, cops up, cops up
Somebody call the cops up
Cops up, cops up
Cops up, cops up
