See I'm a wanted man barely living in these streets  
Since child support saw fit to put a warrant out on me  
Say I owe 'em sixty-five hundred and they want their  
money  
And it's so funny 'cause they know, I ain't got that kinda  
dough

Like it's my fault that she got on welfare  
I told her we can go half on the Similac and the daycare  
But no, she got comfortable at the bottom and wanted  
to stay there  
And I don't know how this gonna turn out  
So y'all keep me in your prayers

Oh, this crazy, lazy lady  
Using this baby for revenge and money  
And I don't think it's funny that she plays the innocent  
mother  
When it's the other way around, she ain't needy, she  
greedy

See when I start back working they gonna take all my  
dough  
And then they wonder well, what the hell I ain't working  
fo'  
All of this attention on this boy about some back child  
support  
When they killing each other by the dozens out here  
Every day just for sport

With bills stacked up to his chinny-chin-chin  
summoning him to court  
Then all of his friends call him a worry-wart  
Now all the money they gave her, I gotta give it back  
Like I was the one living rent free and getting food  
stamps

Oh, this crazy, lazy lady  
Using this baby for revenge and money  
And I don't think it's funny that she plays the innocent  
mother  
When it's the other way around, she ain't needy, she

greedy

No, say it again y'all  
Get your own Ma  
Get your own Ma  
You're just greedy

Oh, this crazy, lazy lady  
Using this baby for revenge and money  
And I don't think it's funny that she plays the innocent  
mother  
When it's the other way around, she ain't needy, she

Oh, this crazy, lazy lady  
Using this baby for revenge and money  
And I don't think it's funny that she plays the innocent  
mother  
When it's the other way around, she ain't needy, she  
greedy
