[1st Verse:]

What if I broke our monogamous agreement  
What if I told you I lied but didn't mean it  
What if my one mistake  
Had the potential to break  
Up our happy home  
Would you wanna know  
What if I confessed it and though she didn't mean  
nothing since it happened  
You're thinking about leaving  
What if I suppressed it  
And made a vow to never mess with another  
Is it cool for me to smother the facts  
Is it cool for me to cover my tracks  
If you'd never know  
Or would me not being honest hurt you more

[Chorus:]

Hypothetically of course  
Are there some things better left unsaid  
Or would you rather know instead  
Hypothetically of course  
Are there some wars not worth fighting  
Some tears not worth crying  
Hypothetically of course  
What if this happened to you  
What would you want me to do

[2nd Verse:] Erin's verse

Well what if I told you that I had a confession  
What if I said 4 years ago when we were arguing  
He came to comfort me and I wound up pregnant  
And I just can't say for sure  
If the baby's yours  
What if I confessed it and it turns out not to be your  
baby after you get tested  
And it destroys what we've been blessed with  
What if I suppress it 'cause technically you're the  
baby's daddy anyway  
Is it wrong for me to want you to stay  
Would you rather have me tear you away  
From the only family you know

Or is this just too big a secret to keep it on the low

[Chorus/Bridge:]

Would you wanna know

Would you wanna know

Tell me what you'd do

Would you walk away or would you stay

Would you wanna know

Would you wanna leave the past behind us

Or are you afraid that one day it might find us

Would it even matter

Should it even matter

Could it even matter

Hypothetically of course

Hypothetically of course
