*[Verse 1]*

This Lady Whispered when I saw her  
Gave Me her number, told me call her  
She got me feelin like a Baller  
And I'm so into you  
I told her let's go some place quiet  
I said I'm stayin' at the Hyatt  
She said It's kinda late but we can try it  
She's so into me

*[Hook 1]*

Shawty thick than a mother-sucka  
And I cant wait to touch Her  
She knows exactly how to (Boom Boom Chi-Ki Boom)  
Shawty, she wants to be my Lover  
So excited, I forgot to  
Stop and go grab some rubbers, damn (Uh-Oh)

AIDS is Real  
Dont Care how you feel  
And yes I want to chill  
But I gotta wrap it up  
I gotta protect us cuz  
AIDS is Real  
Don't care how you feel  
We already Know IT KILLS  
So I gotta wrap it up  
I gotta Protect Us

*[Verse 2]*

Now We bumpin' and we grindin'  
  
She told me baby get behind it.  
It's getting Kinda hard to fight it  
Cuz she looks so good  
I said maybe we should go Slower  
No disrespect but I don't Know Ya  
I simply need a second just to go to (The Store)  
But she wants it now

*[Hook 2]*

Shawty thick than a mother-sucker

Swear to God on my Mother  
She knows exactly how to (Boom Boom Chi-ki Boom)  
Shawty, she's freaky undercover  
So exited I forgot to  
Stop and go grab some rubbers, damn (Uh-Oh)

AIDS is Real  
Don't care how you feel  
And yes I want to chill  
But I gotta wrap it up  
I gotta Protect us, cuz  
AIDS is Real  
Don't Care how you feel  
We already know IT KILLS  
So I gotta Wrap it up  
I gotta protect us

AIDS is Real, real, real, real, real
