[INTRO]

You know my momma said there's only two things in
life that are constant:
That's change and change

[1ST VERSE]

It feels like somethings' missing but
I just don't know,
It's like I'm not the same man that I was, no more
And all these crazy places that I usually know,
Are just not as exciting as they were before.

I think about u constantly, It supprises me,
How I've changed,
My friends are coming down on me,
Saying a playa never changes the game.

[CHORUS]

Those fellows live in Never Never Land
Right next to peter pan cuz
Nobody wants to grow old,
Those fellows live in Never Never Land
They'll never understand what it's like to be in love.

Never Never Land right next to peter pan cuz nobody
wants to grow old,
Those fellows live in Never Never Land
They'll never understand what it's like to be in love.

[2ND VERSE]

It feels like somethings' moving inside of me,
My heart is doing backflips inspite of me,
And there's no place that I would rather be
Than with you and my kids, my family
I think about u constantly,
U gonna be my wife eventually
It don't matter what my friends say to me,
There's no changing my mind, so ya'll just pray for me.

[CHORUS]

Never Never Land
Right next to peter pan cuz

Nobody wants to grow old,
Those fellows live in Never Never Land
They'll never understand what it's like to be in love.

Never Never Land right next to peter pan cuz nobody
wants to grow old,
Those fellows live in Never Never Land
They'll never understand what it's like to be in love.

[BRIDGE]

Hold up wait a minute, how my heart slipped
Don't be putting my woman in it,
She ain't got nothing to do with this bullsh*t,
She is a deak and she chills in the pool pit
(AH UR WRONG DAWG)
I don't even need to say no more,
You ain't got the disease, but u expect the cure,
Down on your knees praying for that new porche
While she's walking out that door,
(SHE'S WALKING OUT THAT DOOR)

[CHORUS]

Those fellows live in Never Never Land
Right next to peter pan cuz
Nobody wants to grow old,
Those fellows live in Never Never Land
They'll never understand what it's like to be in love.

Never Never Land right next to peter pan cuz nobody
wants to grow old,
Those fellows live in Never Never Land
They'll never understand what it's like to be in love.

[LYFE TO JAY-Z]

And I don't care what they told you
30 is not the new 20 it's the same old 30
Don't be mad at me Jay I'm just the messenger baby,
I'm just the messenger!
