"Spotlight"

[Intro:]

Yea

Lights

The camera

[Verse 1:]

She's on the dance floor grindin

Poppin it and riding, the body a guy never saw

She bend over like shot gun, bullet in the chamber

Baby girl is out of control

She going in like a scuba diver

Hot like a forest fire, sexy like you wouldn't believe

She say she wouldn't do me bad

I'm glad, I'm glad, I'm glad

It would be my pleasure girl to sweat out your weave

[Chorus:]

La la la la la laaa laaa oooh kay

This is what it feels like in the spotlight

Laaa laaa baby

Bumping bodies all night

In the spotlight

[Verse 2:]

She's like a spaceship rockin

Fellas stop talkin

When my baby enters the room

It's like somebody set a bomb off

Everybody's pointing

They lied they ain't got nothing on you (you)

She move her body like a stripper

Make me wanna tip her

Shawty go so damn hard

She's a little bit of tipsy

One more shot of henny

Imma tare that booty to part

[Chorus x2:]

La la la la la laaa laaa oooh kay

This is what it feels like in the spotlight

Laaa laaa baby
Bumping bodies all night
In the spotlight

[Verse 3:]

She say she into spooning, I say I'm into forking
I wanna kill dat ass, call me Lyfe Kevorkian
Her body's acting up, I wanna make a movie
Straight to DVD, too nasty for TV
She said buy me a drink, I bought the whole club
And fired everybody and now she fired up
She say she wanna do it underneath the spotlight
I say is dat right (right)

[Chorus x2:]

La la la la laaaa laaa oooh kay
This is what it feels like in the spotlight
Laaa laaa baby
Bumping bodies all night
In the spotlight
