*[Verse 1]*

See I'm jealous of your clothes  
cause they touch you more than I do  
It kills me sometimes to know  
That your toes spend so much time with your shoes  
And no I don't approve of your lipstick  
Maybelline aint tricking me and I see  
How eager your panties be to get put on  
So when you're gone I tease the ones you did not  
choose  
I don't know 'bout you but I'm

*[CHORUS:]*

Stingy  
Don't want anything to touch you there  
I don't wanna share you with nothing  
Not even the air you breathe  
Hook your lungs up to me  
Stingy  
Let me touch you there  
Don't want nothing to touch you baby

*[Verse 2]*

And I often cuss out your bath water  
For every moment you're gone  
I almost lost my cool when I heard you bought that  
thong (I heard you bought that thong)

Victoria Secret can't keep a secret too long  
I know what they want so please don't  
Be so naive to what your bra does when it's groping  
you  
Cause they like to taste your nipples too  
I don't know bout you but I'm

*[CHORUS:]*

Stingy  
Let me touch you there  
I don't wanna share you with nothing  
Not even the air you breathe  
Hook you lungs up to me  
Stingy

Let me touch you there

*[BRIDGE:]*

See I wash my hands before I touch you  
So I don't have to share you with the germs  
See my heart is so concerned (so concerned)  
Oh So many things I have yet to learn about you baby  
Girl I'm

*[CHORUS:]*

Stingy  
Let me touch you there  
Stingy  
Let me touch you there
