Standing on the block slanging forty king pins  
Soon as you get neck, you snitching on the kingpin  
Tru hood ghetto story, no honor, no glory  
Everybody wana say they having safe sex  
But don nobody wanna go and take the test  
Some take the test, and they come back stressed

Tru hood classic story, protect your glory

*[Hook:]*

I've told ya bout the accidents  
I've come to tell ya about the genesis  
And you can't end your time  
God created man in his own design  
Man dun lost their mind  
They going gon wild, wild, wild  
Them girls dun lost their mind  
Girl's gon wild, wild wild

*[Bridge:]*

I don wan live, I don wana die  
I've been lying to myself so long I

Starting believing in it, started agreeing with  
Illusions, it's a confusion  
Love is what I'm doing  
Ways to stay pure  
It kills the spirit

*[Hook:]*

I've come to tell ya bout the accidents  
I've come to tell ya about the genesis  
And you can give no time  
God created man in his own design  
Man dun lost their mind  
They going gon wild, wild, wild  
Them girls dun lost their mind  
Girl's gon wild, wild wild
