**(feat. Wyclef Jean)**

No guts no glory  
No pain, no story  
Mama mama don worry  
Heaven on my mind, forever on my grind  
Tell god, sorry  
If this ain't heaven where the hell are we  
This kind of plane is so unusual  
I'm beautiful, dammit, I'm beautiful

*[Bridge:]*

See everything happens for a reason  
And the season (the reason and the season)  
Everything, happens some place and time  
So before the mirror shines  
Some people never see the light

*[Hook: Lyfe]*

You, you think you've got it bad  
You think the world owe you something but it don't owe  
you nothing  
You, you think that you've got it bad  
Some people have never had a chance at life

*[Wyclef:]*

I live, I die, I laugh I cry  
The more I stay, the more the earth expands, and  
lends itself to sin  
For Benjamin, I seen him crack his head with the  
Heineken  
Then snatched his chain  
The same place the sun fall, that's where it rains  
And the same place the eagle fly, down comes the pain  
And the same girl that bring me joy, she bring me pain

*[Bridge:]*

See everything happens for a reason (reason)  
And the season (seasons)  
Everything, every single place and time  
Some people never shine  
Some people never see the sky

*[Hook:]*

You, you think you've got it bad  
You think the world owe you something but it don't owe  
you nothing  
You, you think that you've got it bad  
Some people have never had a chance at life

*[Wyclef Jean:]*

You should everybody shine put your hands in the air  
let me see touch ya the sky light

*[Lyfe:]*

This time I'll give my energy and patience, success is  
waiting

*[Wyclef:]*

You grind, everybody grind, if I ever used to grind I will  
never touch the skyline

*[Lyfe:]*

Will I ever see the sky light, will I ever see the skylight  
(skylight)

*[Hook:]*

You, you think you've got it bad  
You think the world owe you something but it don't owe  
you nothing  
You, you think that you've got it bad  
Some people have never had a chance at life
