I know that winning  
It doesn't come easy  
I know that winning  
It's what's on your mind  
It's what's on your mind

I know you want it  
A gift from the angels  
Colors of the rainbow  
You're hoping to find  
You're hoping to find

Someone's gonna take it  
And I'm the one

And I got just one more  
Chance for Heaven  
One more mountain to climb  
And I got just one more  
Chance for Heaven  
Putting it all on the line  
Putting it all on the line

It's out there waiting  
Waiting to find us  
The spirit deep inside  
Ooh, just set it free  
Just set it free

A chance for Heaven  
That place we dream of  
And when you get there  
Ooh, then you will see  
Ooh, then you will see

Now it's one more  
Chance for Heaven  
One more mountain to climb  
Now it's one more  
Chance for Heaven  
Putting it all on the line

Putting it all on the line

History is not destiny

I know that winning  
It never comes easy  
And on the day you get there  
Ooh, you're gonna find  
Ooh, you're gonna find

Someone's gonna take it  
Someone's gonna make it  
And you're the one

There'll always be  
One more chance for Heaven  
One more mountain to climb  
There'll always be  
One more chance for Heaven  
Putting it all on the line

There'll always be  
One more chance for Heaven  
One more mountain to climb  
There'll always be  
One more chance for Heaven  
Putting it all on the line

There'll always be  
One more chance for Heaven  
One more mountain to climb
