She a freaky freaky girl she a freaky freaky girl

She do her thang on that pole. She know how to bring it low. When she take them panties off That big thang don't know how to hold. I like to lick her up and down and rub her tities round and round. Give me some head baby. Cuz you's freaky to me

Freaky Freaky girl She a freaky Freaky Girl Freaky Freaky Girl she a freaky freaky girl

She humping so hard make me want to give it to her. she open her legs. makes me wanna give her some head. my tongue dripping out my mouth. She licking that dick nice and hard. them tities swinging Round and round. I like to tap that pussy like there's a crowd

FreakY freaky girl she a freaky freaky girl freaky freaky girl she a freaky freaky girl
