Lately I see clouds of sorrow in your eyes
Some deep sadness you can never quite disguise
I was scared to ask where it's leading to
But I'm more afraid of not asking you.

Is there something that you want to tell me?
Is there something that I ought to know?
Are we something that's still worth fighting for
Or should I simply let you go?
Is there something I can do to reach you?
Are we something more than history?
I'll find some way to convince you to stay
If you just tell me honestly
Is there something left of you and me?

You've got secrets you've been keeping for too long
I'm going crazy acting like there's nothing wrong
I can taste the truth every time we kiss
But I can't go on
At least not like this.

Repeat***

I don't want to lose you
But what's the use of holding on
I don't really have you
If the feeling's gone.

Is there something I can do to reach you?
Are we something more than history?
If there's no way to convince you to stay
Then be the way it used to be.
But there's something that I want to tell you
And I want you to believe it's true
We had something that I'll never forget
Even if I wanted to
A part of me will always be with you.
