There's a Possibility,
There's a Possibility,
All that I had was all I'm gon' get.

There's a Possibility,
There's a Possibility,
All I'm gonna get is gone with your stare
All I'm gonna get is gone with your stare

So tell me when you hear my heart stop
You're the only one that knows
Tell me when you hear my silence
There's a possibility I wouldn't know

Know that when you leave,
Know that when you leave,
By blood and by mean, you walk like a thief,
By blood and by mean, and I fall when you leave

So tell me when you hear my heart stop,
You're the only one that knows.
Tell me when you hear my silence,
There's a possibility I wouldn't know.
So tell me when my sigh's over,
You're the reason why I'm close.
Tell me when you hear me falling,
There's a possibility it wouldn't show.

By blood and by mean, and I'll fall when you leave.
By blood and by mean, I follow your lead.
