

Lykke Li "Melodies & Desires"

Visit "[Melodies & Desires](#)" on MotoLyrics.com

Follow these instructions

Do exactly as I do

Lean your shoulders forward

Let your hands slide over to my side

Move your body closer

Let your heart meet mine

Love is the harmony

Desire is the key

I was the melody

Now sing it with me

Come a little closer

Take a look at me

This light is so obvious

I want you to see

Come a little closer

Look me in the eye

Then repeat with me

One more time

Love is the harmony

Desire is the key

Love is a symphony

Now play it with me

Love is the harmony

Desire is the key

Love is a symphony

Now play it with me

You'll be the rhythm and I'll be the beat

You'll be the rhythm and I'll be the beat

Then I'll be the rhythm and you'll be the beat

And love, the shoreline, where you and I meet

You'll be the rhythm and I'll be the beat

You'll be the rhythm and I'll be the beat

Then I'll be the rhythm and you'll be the beat

And love, the shoreline, where you and I meet

Love is the harmony
Desire is the key
Love is a symphony
Come, sing some with me
