All the while you lit your streets for me,
I cursed the pavement that I walked
All the while you loaned your nights to me,
I was unable to forget.
So I didn't kiss you like I should
Didn't grace you like I ment.
Never once did I lay my eyes on you
And all along you saw me cry.

I'm Paris blue, I miss you
I'm not good enough for you Paris blue
I'm no good, I'm no good, I'm no good,
Paris blue.

All the while you shared your heart with me,
I was unfaithful in your bed.
My thoughts drift towards Malibu
Wishing he was by my side
So I blamed you for the rain,
Blamed you for my loss
Maybe once but never twice for you
Oh momon I did you wrong
