I ain't heard your voice
Since such a long time
I ain't called your number
On the telephone line
I believed in my soul
That I left you behind
But here I am callin'
And here I am cryin'

I've got the blues
Won't you save me?
I've got the blues
As far as I can see
I've got the blues
Won't you save me?
'Cause I'm, I feel like I'm dyin'
From that old used to be

Now if the angels
Don't swim in the ocean
An' if the fishes
Don't walk on the sea
If my teardrops
Don't rise up to Heaven
Angel I'm lovin'
Lord she never loved me

I've got the blues
Won't you save me?
I've got the blues
As far as I can see
I've got the blues
Won't you save me?
'Cause I'm, I feel like I'm dyin'
From that old used to be

I've got the blues
Won't you save me?
I've got the
As far as I can see
I've got the blues
Won't you save me?

'Cause I'm, I feel like I'm dyin'
Oh, I feel like I'm dyin'
I feel like I'm dyin'
From that old used to be
