You've got a friend in me, you've got a friend in me
When the road looks rough ahead
And you're miles and miles from your nice warm bed

You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me, you've got a friend in me
If you've got troubles, I've got 'em too
There isn't anything I wouldn't do for you

We stick together and can see it through
'Cause you've got a friend in me
You've got a friend in me

Some other folks might be a little bit smarter than I am
Bigger and stronger too, maybe
But none of them will ever love you
The way I do, it's me and you

Boy and as the years go by
Our friendship will never die
You're gonna see, it's our destiny

You've got a friend in me
You've got a friend in me
You've got a friend in me
