Why do I have so many questions?
Dont want to know
Some things are better left un told
Now Im upsetting you and, I just turn away
I dont really want to see your face
Babe, its all right (Its all right)
I'll pretend I dont know if you pretend you dont mind

Lindsay says she thinks its all in my head
But now Im feeling so alone, sometimes I wish I were
dead
And Im, all right but I dont know what it takes
To be loved, to be loved, to be loved

Its not a lie if you believe all the things you say
Ive never looked at life that way
The truth is coming out and, laughing in my face
I thought I knew you but you're not the same
Babe, its all right (Its all right)
I'll pretend I dont know if you pretend you dont mind

Lindsay says she thinks its all in my head
But now Im feeling so alone, sometimes I wish I were
dead
And Im, all right but I dont know what it takes
To be loved, to be loved, to be loved

Babe, its all right (Its all right)
Ill pretend I dont know if you pretend you dont mind

Lindsay said she thinks its all in my head
But now Im feeling so alone, sometimes I wish I were
dead
And its, all right but I dont know what it takes
To be loved, to be loved, to be loved
