Dragging me down, dragging me down
You don't have time for me
I anit a clown, I anit a clown
This anit no comedy
I love you like my life depended on it
But I'm a joke to you
You set my heart on fire
But I'm nothing but a puff of smoke to you

A boy like you
Don't deserve a girl like me
A boy like you
Don't know what it feels like to be
Really in love, love is a game
I'll always lose with a boy like you

This isn't sane, this is insane
Why am I here at all
You walk away I'll walk away
We'll be much better off
In my mind inside I can see tomorrow
It might keep me here
I can feel the sky come down on me
And baby I can almost taste my tears

A Boy Like You Lyrics on
A boy like you
Don't deserve a girl like me
A boy like you
Don't know what it feels like to be
Really in love, love is a game
I'll always lose with a boy like you

Don't be afraid girl
Just get away girl
Don't waste another heart break
One more match light down that dark street
Hey yea, yea, yea
Hey yea, yea, yea

A boy like you
Don't deserve a girl like me

A boy like you
Don't know what it feels like to be
Really in love, love is a game
I'll always lose to boy like you
A boy like you
Don't deserve a girl like me
A boy like you
Don't know what it feels like to be
Really in love, love is a game
I'll always lose
Oh I'll always lose
To a boy like you
