[By: Christina Millian]

I'm your basic average girl
And I'm here to save the world.
You can't stop me 'cause I'm
Kim-Pos-sib-le

There is nothin' I can't do
And when danger calls just
Know that I am on my way (know that I am on my way)

Doesn't matter where or when there's trouble if you just
call my name
(Kim Possible)

Call me, beep me, if you wanna reach me
When you wanna page me it's okay
I just can't wait until I hear my cellphone ri---ng
Doesn't matter if it's day or night
Everything is gonna be all right.
Whenever you need me, baby
Call me, beep me, if you wanna reach me

Call me, beep me, you wanna reach me!

Doesn't matter where, doesn't matter when. (Doesn't
matter when)
I will be there for you 'till the very end! (Till the very
end)
In danger, or trouble, I'm there on the double
You know that you always can call
Kim Possible

Call me, beep me, if you wanna reach me!
