Iâ€™m cutting school today  
Iâ€™m gonna get away  
Iâ€™m leaving now to precise  
Donâ€™t that sound nice  
In a place warm and breezy  
A little piece of paradise

Dream Vacation  
Its summer time and were having fun  
Dream Vacation  
Its party time for everyone

Living hour outside  
Splashing in the oceans tide  
Or just relaxing in the sun  
And now were gonna spend  
Sometime with our new friend  
Who knows just might be the one

Dream Vacation  
Its summer time and were having fun  
Dream Vacation

Its party time for everyone

Walking on the beach at night  
Holding hands it feels right  
Looking for a shooting star  
Break up that guitar

(I wanna dream vacation)

Dream Vacation  
Its summer time and were having fun  
Dream Vacation  
Its Party time for everyone

Dream Vacation  
Its summer time and were having fun  
Dream Vacation  
Its party time for everyone

Dream Vacation  
Summer time and its just begun  
Dream Vacation  
Summer time and were having fun
