Waiting for the start of something  
Before we go out of our minds  
All of this doing nothing  
Is taking up too much time

Gotta be something better  
Something more that we can do  
Time to get the party started  
Everybody's there too

You've got the wheels, I've got the feels  
We've got whatever it takes  
She's got the groove, he's got the moves  
Everybody's ready to play

So let's bounce into something new  
Let's bounce 'cause we all want to  
Let's shout, gonna have some fun  
Everybody everyone

Let's bounce, get the party on  
Let's bounce, gonna dance till dawn  
Let's shout, gonna all tone down  
Everybody everywhere

Let's bounce baby

Time for you to let your hair down  
Time to bump up the shelf  
Everybody is going crazy  
Working just the way we planned

You've got the style, I've got the wild  
We've got the place to be  
She's got the moves, he's got the groove  
Everybody's ready to play

So let's bounce into something new  
Let's bounce 'cause we all want to  
Let's shout, gonna have some fun  
Everybody everyone

Let's bounce, get the party on  
Let's bounce, gonna dance till dawn  
Let's shout, gonna all tone down  
Everybody everywhere

Big Apple to L.A.  
All around the world the same  
You know we've gotta make it loud  
I'm ready baby, let's bounce

So let's bounce into something new  
Let's bounce 'cause we all want to  
Let's shout, gonna have some fun  
Everybody everyone

Let's bounce, get the party on  
Let's bounce, gonna dance till dawn  
Let's shout, gonna all tone down  
Everybody everywhere

So let's bounce  
Let's bounce  
Let's shout  
Everybody everywhere
