Oh no my life is over
Oh no my life in thunder
Oh no my life is real
Looks like we made a deal

Lalalalalalalalalalalala

(Chorus):

Oh no you can't believe
Oh no you have never seen
Oh no you are the fire
Oh no you're my desire

Lalala
I'm so surprised
I didn't think I recognized you
I think you are the one I need...(I need)
I so like interpreted that you are realizing
I love the song you ever sang in my head.

(Chorus 2x):

Oh no you can't believe
Oh no you never seen
Oh no you are the fire
Oh no you're my desire

Lalalalalala
Lalalalalala
Lalalalalala
Lalalalalalaaaaaaaaaaaaaaaaaaaa (echo)

(Soft Chorus 2x)
