You and I moving in the dark  
Bodies close but souls apart  
Shadowed smiles and secrets unrevealed  
I need to know the way you feel

Refrain:

I'll give you everything I am  
And everything I want to be  
I'll put it in your hands  
If you could open up to me oh  
Can't we ever get beyond this wall  
'Cause all I want is just once  
To see you in the light  
But you hide behind  
The color of the night

I can't go on running from the past  
Love has torn away this mask  
And now like clouds like rain I'm drowning and  
I blame it all on you  
I'm lost - God save me...

[Refrain]

God save me...

...everything I am  
And everything I want to be  
Can't we ever get beyond this wall  
'Cause all I want is just once  
Forever and again  
I'm waiting for you, I'm standing in the light  
But you hide behind  
The color of the night

Please come out from  
The color of the night
