Yo, listen up,  
Have a holla from Ron  
Naked Mole Rap is the  
Name of the song  
Here's the story  
you know its glory  
Ain't hott, nothin'  
Don't know what the truth is,  
How Ron met Rufus  
Never heard a cat ark  
Never heard a puppy purr  
My dad's allergic to every kind of fur  
So I searched for hairless pets  
On the internet  
saw a j-pag of a pink thing  
gotta name it somethin'

What is that, that freaky thing?  
(Yes, that's right  
It's a naked mole rat)  
C'mon, y'all, let the girlies sing  
(Listen to the naked mole rap)

What is that, that freaky thing?  
(Yes, that's right  
It's a naked mole rat)  
Hey, wait I can't hear the girlies sing  
(Listen to the naked mole rap)

I heard Smarty Mart was  
Havin' a sale  
On a hairless pink rodent  
With a long skinny tail  
It seemed that this could be a solution  
The perfect pet for my dad's  
Sensitive constitution  
So the manager came  
To open the cage  
He said,  
"You know this pet's hairless?"  
I said I couldn't care less  
handed him to me he said,

“Be careful, don’t drop it,  
And do you want this cage?”  
No I’ll keep him in my pocket

What is that, that freaky thing?  
(Yes, that’s right  
It’s a naked mole rat)  
Come on, y’all, let the girlies sing  
(Listen to the naked mole rap)

What is that, that freaky thing?  
(Yes, that’s right  
It’s a naked mole rat)  
gonna buy me, some bling bling (Listen to the naked  
mole rap)

(Rufus, the naked mole rat)

Can I get a boo-ya  
Can I get a boo-ya  
love to catch a camera sat cheese,  
smile for the camera say cheese  
Can I get a boo-ya  
Can I get a boo-ya  
love to catch the camera say cheese  
Smile for the camera say cheese

We go to Bueno nacho  
chimerito and a naco  
always grande size and  
Why not? I’m buyin’  
Rufus in my pocket  
You can’t stop it  
Can’t top it, don’t drop it  
You might just pop it  
Rufus and Ron Stoppable  
With our best friend kim possible

We’re not afraid of any attack we say  
Yo, K.P. we’ve got your back
