God of the mountain by Lynda Randle
Life is easy, when you're upon the mountain
And you've got peace of mind, like you've
never known
But things change, when you're down in the valley
Don't lose faith, for your never alone
Chorus:
For the God on the mountain is still God in the valley
When things go wrong hell make them right
And the God of the good times is still God in the bad
times
The God of the day is still God in the night
You talk of faith when you're up on the mountain
But talk comes easy, when life's at its best
Now it's down in the valleys, trials and temptations
That's where your faith is really put to the test
Chorus:
For the God on the mountain is still God in the valley,
When things go wrong hell make them right
The God of the good times, is still God in the bad times
The God of the day, is still God in the night
The God of the day, is still God in the night
