There is no problem too big God cannot solve it
There is no mountain too tall He cannot move it
And there is no storm too dark God cannot calm it
There is no sorrow too deep He cannot soothe it

And if He carried the weight of the world upon His
shoulders
I know my brother that He will carry you
And if He carried the weight of the world upon His
shoulders
I know my sister that He will carry you
He said, "Come unto Me all who are weary, and I will
give you rest"

There is no problem too big God cannot solve it
There is no mountain too tall He cannot move it
And there is no storm too dark God cannot calm it
There is no sorrow too deep He cannot soothe it

And if He carried the weight of the world upon His
shoulders
I know my brother that He will carry you
And if He carried the weight of the world upon His
shoulders
I know my sister that He will carry you

I know my brother and I know my sister
That He, He's going to carry you
Oh yes, He will
He's going to carry you
