Iâ€™m in love with my Savior and Heâ€™s in love with me,

He is with me from day to day, what a friend is He,  
Watches over me while I sleep, hears me when I pray,  
Iâ€™m as happy as I can be, and I now can say:

Refrain:

Somebody loves me, answers my prayers,  
I love Somebody, I know He cares;  
Somebody tells me not to repine,  
That Somebody is Jesus, and I know Heâ€™s mine.

Youâ€™ll be happy if you will let Jesus have His way,  
He has work for us all to do every passing day;  
Feed the hungry and cheer the sad, for the sinner pray;  
Youâ€™ll have joy that you never had, and you then  
can say:

Refrain x2

(optional 3rd verse not on Lynda Randles album)

Then at last when our work is done, He will call us home  
To a mansion He has prepared, nevermore to roam;  
Weâ€™ll sit down by the riverside, cares all passed  
away,  
And with never a pain to bear, what a happy day.
