My baby
Sexy Cinderella
Its almost midnight
And Iâ€™ve been dieing to kiss you under the moonlight
Sexy Cinderella
Theres no need to run away
Girl Iâ€™m begging you please wont you stay

Iâ€™ve only just met ya
Feels though I've known you for a life time
Tell me do you feel like I do
I really wanna get ya
You came along at just tha right time
I get a blue sensation with you

Sexy Cinderella
Its almost midnight
And Iâ€™ve been dieing to kiss you under the moonlight
Sexy Cinderella
Thereâ€™s no need to run away
Girl Iâ€™m begging you please wont you stay

Cold flashes
Up and down my body
Iâ€™ve got nothing that I wonâ€™t do right
Flicking her lashes
Drives me crazy
I get a strange warm feeling inside

Sexy Cinderella
Its almost midnight
And Iâ€™ve been dieing to kiss you under the moonlight
Sexy Cinderella
Theres no need to run away
Girl Iâ€™m begging you please wont you stay

(You and I)
Like when galaxies collide babe (you and I)
(you and I) and our bodys come alive girl (you and I)
I see planets in your eyes babe (you and I)
Filled with clear blue skys (you and I)

Sexy Cinderella
Its almost midnight
And Iâ€™ve been dieing to kiss you under the moonlight
Sexy Cinderella
Theres no need to run away
Girl Iâ€™m begging you please wont you stay

Sexy Cinderella
Its almost midnight
And Iâ€™ve been dieing to kiss you by under the
moonlight
Sexy Cinderella
Theres no need to run away
Girl Iâ€™m begging you please wont you stay
