(Liz Anderson - Casey Anderson)

I got up at six this morning and I polished up the sun
So when you woke up the sun would shine on you
Raised the dawn to get the papers so when the
breakfast you sat down
I could be the one that you'd say thank you to.

From the first thing in the morning till the last thing in
the night
Every hour and every minute I'm your fool
Anyway that I can please you I will try with all my might
I'm an all day sucker when it comes to you.

So from morning until evening I'll be at your beg and
call
I'll do anything at all that pleases you
You can wind me round your finger almost anyway at
all
I'm an all day sucker when it comes to you.

--- Instrumental ---

Then today I clean your workshop, wash the car and
mow the lawn
And I even shine the laces in your shoes
I try hard to make you love me and it's all enough till
dawn
I'm an all day sucker when it comes to you.

So from morning until evening I'll be at your beg and
call
I'll do anything at all that pleases you
You can wind me round your finger almost anyway at
all
I'm an all day sucker when it comes to you.

So from morning until evening I'll be at your beg and
call
I'll do anything at all that pleases you
You can wind me round your finger almost anyway at

all

I'm an all day sucker when it comes to you.

I'm an all day sucker when it comes to you...
