All the love you promised would be mine forever I
would have bet my bottom dollar on
Well it sure turned out to be a short forever
Just once I turned my back and you were gone
From now on all my friends are gonna be strangers I'm
all through ever trusting anyone
The only thing I can count on now is my fingers
I was a fool believing you and now you are gone
[harmonica - steel]
It amazes me not knowing any better than to think I had
a love that could be true
Why I should be taken out tired and feathered to have
let myself be taken in by you
From now on all my friends are gonna be strangers...
