You can lose your touch if you let love matter too much
Wanting it to be so right till it just can't be at all
Oh, I know cause I've watched the feelin' die just as
soon as I started to try
When you're watchin' your step too close then you
stumble and fall.

Don't you know you can come as you are
You don't have to prove anything to me
Just be yourself and come as you are to me
Oh, you can come as you are
You don't have to prove anything to me
Just be yourself and come as you are to me.

We make it so tough we get ourselves all worked up
When we start thinkin' that we got somebody to
impress
Oh, and when I see how hard we try sometimes it
makes me wanna cry
Just be yourself and forget about the rest.

Cause I want you to come as you are
You don't have to prove anything to me
Just be yourself and come as you are to me
Oh, you can come as you are
You don't have to prove anything to me
Just be yourself and come as you are to me.

When you think that nobody's listenin' you sing just like
a bird
But when you turn around and see me standin' there
You start chokin' up on your words.

Haven't you heard
That you can come as you are
You don't have to prove anything to me
Just be yourself and come as you are to me.

Just be yourself and come as you are to me...
