New York is a long way from Texas  
Vegas is a long way from Abilene  
I spend lots of my time flying out to LA  
And if you've never been there you don't know how  
lonesome big towns can be  
Oh what I'd give to be a country girl again  
to be with my people my man and my kids  
To live in a house about a mile down the road from  
mama's  
Oh Lord what I'd give to be a country girl again

I go walking down a country road at sunset  
And see colors I could almost touch over head  
I'd hear gentle breeze is blowing at the treetops  
No out in the country there is no talk that God is dead  
Oh what I'd give to be...  
Oh what I'd give to be a country girl again
