Down in the boondocks down in the boondocks  
People put me down cause that's the side of town I was  
born in  
I love him he loves me but I don't fit in his society  
Lord have mercy on the girl from down in the  
boondocks

Every night I watch the light from the house up on the  
hill  
I love a little boy who lives up there and I guess I always  
will  
But I don't dare knock on his door cause his folks won't  
let me in  
So I'll just have to be content to see him whenever I can  
Down in the boondocks...

One find day I'll find a way to move from this old shack  
I'll hold my head up like a queen and I never ever will  
look back  
But till that morning when we can walk together hand in  
hand  
But I'll just have to be content to see him wherever I can  
Down in the boondocks...  
Lord have mercy on the girl from down in the  
boondocks
