Frosty the snowman was a jolly happy soul
With a corncob pipe and a button nose and two eyes
made out of coal
Frosty the snowman was a fairy tale they say
He was made of snow but the children know how he
come to life one day
There must have been some magic in that old silk that
they found
For when they placed it on his head he began to dance
around
Oh Frosty the snowman was alive as he could be
And the children say he could laugh and play just the
same as you and me
[guitar]
Frosty the snowman knew the sun was hot that day
So he said let's run and we'll have some fun now
before I melt away
Down to the village with a broomstick in his hand
Running here and there all around the square saying
catch me if you can
He led them down the streets of town right to the traffic
cop
And he only paused a moment when he heard him
holler stop
Frosty the snowman had to hurry on his way
But he waved goodbye saying don't you cry I'll be back
again some day
(Thumpetty thump thump thumpety thump thump look
at frosty go
Thumpetty thump thump thumpety thump thump over
the hills of snow)
