Oh the games people now every night and every day  
now  
Never meanin' what they say now never sayin' what  
they mean  
So they wile away the hours in their ivory towers  
Till they're covered up with flowers in the back of a  
black limousine  
Lotten da la da da da lotten da la a dee de dee  
Talkin' bout you and me and the games people play

Oh we make one another cry break a heart then we say  
goodbye  
Cross our hearts and we hope to die that the other was  
to blame  
Neither one will ever give in so we gaze at an eight by  
ten  
Thinkin' bout the things that might have been and it's a  
dirty rotten shame  
Lotten da la da da da...  
[ steel ]  
People walkin' up to ya singing glory hallelujah  
And they're tryin' to sock it to ya in the name of the  
Lord  
They're gonna teach you how to meditate read your  
horoscope and cheat your fate  
And furthermore forget about hate come on and get on  
board  
Lotten da la da da da...

Look around and tell me what you see what's happened  
to you and to me  
God grand me the serenity to just remember who I am  
Cause you've given up a sanity for a pride and your  
vanity  
Turn your back on humanity and you don't give a da da  
da  
Lotten da la da da da...  
Lotten da la da da da...
