I could just sit around making music all day long
As long as I'm making music I know I can't do nobody
wrong
And who knows maybe someday I'll come up with a
song
That makes people wanna stop their fussin' and fightin'
Just long enough to sing along.

I believe in music, I believe in love.
I believe in music, I believe in love.

Music is love love is music if you know what I mean
People who believe in music are the happiest I've ever
seen
So clap your hands stomp your feet shake your
tambourine
And lift your voices to the sky God loves you when you
sing.

I believe in music, I believe in love.
I believe in music, I believe in love.

Music is the universal language and love is the key
To brotherhood and peace and understanding and
living in harmony
So take your brother by the hand and sing along with
me
And find out what it really means to be young and rich
and free.

I believe in music, I believe in love.
I believe in music, I believe in love.

I believe in music, I believe in love.
I believe in music, I believe in love...
