Isn't always love that makes you hang your head  
And isn't always love that makes you cry  
Isn't it always love that takes the tears away  
And you wouldn't have it any other way.

I went out for a walk last night  
The stars were out and the moon was bright  
Then a voice inside my head  
It hit me hard this is what it said.

Isn't it always love that makes you hang your head  
And isn't always love that makes you cry  
Isn't it always love that takes the tears away  
And you wouldn't have it any other way.

And when you find someone who's good to you  
Well some days are rough yeah some days are blue  
But please don't go and throw it all away  
Just wait a minute you gotta hear what I say.

Isn't it always love that makes you hang your head  
And isn't always love that makes you cry  
Isn't it always love that takes the tears away  
And you wouldn't have it any other way.

I used to think that love was just a loser game  
But then I swore that I'd never play to lose again  
And now I know now I see it...

Isn't it always love that makes you hang your head  
And isn't always love that makes you cry  
Isn't it always love that takes the tears away  
And you wouldn't have it any other way.

Oh, isn't it always love that makes you hang your head  
And isn't always love that makes you cry  
Isn't it always love that takes the tears away  
And you wouldn't have it any other way...
