I was rated G for goodness hidid everything I could
yes
Great example for the weaker sex
But I couldn't hold my baby he sure didn't want no lady
He left me for someone rated X
It don't do no good to be a a good girl there ain't no
rewards for goodness sake
I swear to you on my peroxide curls it don't do no
good to be a a good girl

I sure took a long time knowin' oughta keep my frames
from showin'
That to play it smart you played it dumb
I don't wanna be no lady wanna be your way but shady
Cause the shady once have all the fun
It don't do no good to be...

[missing part]
It don't do no good to be...
It don't do no good to be a a good girl
