City girls just seem to find out early how to open doors  
with just a smile  
A rich old man and she won't have to worry she'll dress  
up all in lace and go in style  
But late at night a big old house gets lonely I guess  
every form of refuge has it's price  
And it breaks her heart to think her love is only  
Given to a man with hands as cold as ice  
So she tells him she must go out for the evening  
To comfort an old friend who's feeling down  
But he knows where she's going as she's leaving  
She is headin' for the cheatin' side of town  
You can't hide your lyn' eyes and your smile has been  
disguised  
I thought by now you'd realize that there ain't no way to  
hide your lyn' eyes  
[ guitar ]  
She gets up and pours herself a small one and stares  
out at the stars up in the sky  
Another night it's gonna be the long one  
She draws the shade and hangs her head to cry  
My oh my you sure know how to arrange things you set  
it up so well so carefully  
Ain't it funny how you knew life didn't change things  
You're still the same old girl you used to be  
You can't hide your lyn' eyes...  
There ain't no way to hide your lyn' eyes honey you  
can't hide your lyn' eyes
