(Jerry Lane - Slim Williamson)

Ten times up and three times down  
Everybody knows that's the way to drown  
And then it's too late to swim into the shore  
And this'll be the third time you left me for her.

And there ain't gonna be no another time  
There ain't gonna be no another time  
There ain't gonna be no another time  
When you leave you'd better pack  
'Cause you ain't comin' back  
There ain't gonna be no another time.

Before we explain what I'm a talkin' about  
Three strikes baby and then you're out  
You've already had two swings at the ball  
There's just one more and I'm afraid that's all.

'Cause there ain't gonna be no another time  
There ain't gonna be no another time  
There ain't gonna be no another time  
When you leave you'd better pack  
'Cause you ain't comin' back  
There ain't gonna be no another time.

--- Instrumental ---

I've always heard about the third time charm  
And this is the strip number three that make two arms  
I hope you'll find what you're looking for  
Cause I'm changing the lock on my front door.

And there ain't gonna be no another time  
There ain't gonna be no another time  
There ain't gonna be no another time  
When you leave you'd better pack  
'Cause you ain't comin' back  
There ain't gonna be no another time.

There ain't gonna be no another time

There ain't gonna be no another time  
There ain't gonna be no another time  
When you leave you'd better pack  
'Cause you ain't comin' back  
There ain't gonna be no another time...
