Everybody knows you been steppin' on my toes and I'm
gettin' pretty tired of it
I'm gonna hitch you on my head with a plenty corn
bread
If you had any sense you'd quit
Cause ever since I was a little bitty teeny girl
You thought you was the only man in my world
But now you better do some thinkin' then you'll find
You got the only baby that'll walk the line

I keep a wolkin' every day all you wanna do is play I'm
tired a stayin' out all night
I'm a comin' unglued from your funny little moods now
honey baby that ain't right
Cause ever since I was...
[guitar]
I keep a packin' up your clothes nearly everybody
knows that I'm just a puttin' you on
Cause when you start a walkin' and you can hear me
start a squawkin'
And a beggin' you to come back home
Cause ever since I was...
You got the only baby that'll walk the line
You got the only baby that'll walk the line
